

Things you will need to care for your new Havanese puppy.

Collar or Harness

Leash

24" Crate

Soft bed for the crate

Slicker brush

Metal Comb

Puppy Shampoo and Conditioner

Eye cleaning solution

Eukanuba puppy food for small dogs

Nail clippers

Healthy things for the puppy to chew. I especially like cow hooves.

Possibly a puppy pen with another dog bed in it.

And last but not least, **Toys**. Havanese tend to enjoy toys that squeak and small balls.
